News about the Jack Hughes Fund

From 1st September 2019 the Jack Hughes Fund will be extended to include staff aged over 40 years working on a Herefordshire farm. This is limited to one employee per farming business per annum. The amount of funding available still remains up to a maximum of £70% of the course but has been increased to an overall maximum of £200.

In 2015 the **Herefordshire Community Foundation** took on the management of funds that were originally raised by the Herefordshire Proficiency Test Committee (HPTC). This is being used to support a County-wide training fund that is named after the late Jack Hughes, who was the founder of Herefordshire PTC, and did so much work in ensuring that training skills were accessible and available to the farming community in Herefordshire and in particular for young farmers.

The programme is available for farmers and farm staff **aged over 40** years and will specifically provide funds to support training as below:

- retraining or upskilling as they are leaving the industry
- training to support a new farm diversification enterprise
- training or business support for succession planning

Funding will also be available for farm related training courses (examples as below) but other courses will be considered on application:

- Safe use of pesticides – PA1, PA2, PA6
- Rodent control on farms
- Emergency first aid
- Food safety (Basic Food Hygiene)
- Chainsaw Maintenance & Cross Cutting (CS30)

The Jack Hughes Fund will fund up to a maximum of 70% of the cost of training or costs up to a maximum of £200. Funding will be limited to one family member/employee per annum.

The funding is easy to access but please note that the project will not support training retrospectively and places will be limited. Applicants need to be resident in Herefordshire.

For further details and an application form please contact:

Herefordshire Community Foundation, The Fred Bulmer Centre, Wall Street, Hereford HR4 9HP.

or contact Frances for more information –

Email admin@herefordshireruralhub.co.uk

Do you need a permit or is your waste operation exempt??

You may need an environmental permit if your business uses, treats, recovers, stores or disposes of waste. Some waste operations are **exempt** from needing a permit and can operate under a **waste exemption** instead. Waste exemptions are free to register and last for three years, after which they will need renewing. You can register or renew online or by telephone.

To register or renew online click [HERE](#) or telephone **03708 506 506** for help with registrations or to ask any general waste queries.

If you have registered exemptions in the past, it may now be three years since that registration, so it is a good idea to check whether your exemptions have expired and if they need renewing.

Exemptions have key conditions and limits associated with each one, so check to make sure that you can meet all the requirements of the exemption. If you cannot meet the requirements, you will need to obtain a permit or cease the waste activity.

DEFRA information on farming changes after Brexit

Defra have published a document to help increase awareness and understanding of the changes in the farming industry in England that will follow after Brexit.

The "Farming is Changing" leaflet gives a summary of Defra's policy decisions **to date**, including the phasing out Direct Payments, and information on Environmental Land Management schemes.

You can access the document [HERE](#)

Rules for farmers and land managers to prevent water pollution

What you must do to manage manure, fertiliser and soil to prevent runoff, erosion and leaching. Click [HERE](#)

Protecting against soil erosion by livestock

Any land within 5 metres of inland freshwaters and coastal waters must be protected from significant soil erosion by preventing poaching by livestock

SSAFO regulations

Rules you must follow when storing silage, slurry or agricultural fuel oil. Click [HERE](#)

Free Pesticide Disposal Scheme

Welsh Water are currently offering a Free Pesticide Disposal Scheme across Wales and within their English drinking water catchment area.

This includes the **River Teme** catchment and parts of the **River Wye** catchment. A map of eligible areas is available [HERE](#).

They will collect pesticides, herbicides, sheep dip and slug pellets.

- To take advantage of this offer you will need to register with Welsh Water **BEFORE 30th SEPTEMBER 2019**
- They will then confirm if you are eligible and will pass your details to their third party contractor to ensure your confidentiality.
- The contractor will arrange a collection date with you which will be **between October 2019 and February 2020**

Full details about the scheme and how to register are on the Dwr Cymru (Welsh Water) website [HERE](#) or Tel: **01443 452 716**

Countryside Stewardship Facilitation Fund Applications 2019

This fund is now open to help **groups** of farmers, foresters and land managers improve the natural environment, enabling them to work together on a landscape scale to have a positive impact on the environment. Local projects already being funded include **Land, Life and Livelihoods, Go Wild in the Curl** and **Herefordshire Meadows**.

- Application details and guidance [HERE](#)
- Date for applications to be submitted by midnight **4th October**
- Application eligibility checking 7 – 11 October (By RPA)
- Contracts and agreements drafted and in place by end of December to allow a 1st January 2020 start.

Tuesday 17th September 2019

10am – 1pm (Arrival from 9.30am) Includes refreshments and light lunch

Come and see how rotational grazing management and diverse swards can benefit commercial livestock production

On farm practical discussions to hear more about:

- How to profitably manage rotational grazing systems
- The establishment and management of herbal leys
- The benefits of these systems on livestock and soil health
- The practicalities of water provision and fencing
- How to make it work in practice on a commercial basis

Speakers Include:

- **Richard Thomas** – Host Farmer
- **Harriet Fuller** – Independent Veterinary Consultant
- **Nick Duggan** - Field Options
- **Rob Havard** – Farmer and Natural England

Please book your place with Herefordshire Rural Hub

Email: bookings@herefordshireruralhub.co.uk or Tel: **01432 353465**

For more information contact Wayne Davies (Catchment Sensitive Farming) on 01588 640 980

Two field walks are being held this autumn to show examples of companion cropping taking place locally.

This approach helps to:

Improve soil health -- Reduce pest damage -- Provide weed control -- Benefit yield -- Store carbon

Both farms are growing Oilseed Rape with Clover, and during the walk there will also be the opportunity to see how they are utilising diverse catch and cover crops.

Thursday 26th September, 2pm
At Wistaston Farm, Kings Pyon, HR4 8PZ
(by kind permission of the Garnstone Estate)

Tuesday 1st October, 10am
At Ufton Grange, Holme Lacy, HR2 6PH
(by kind permission of the Goodwin family)

Numbers strictly limited, so please book your place for 26th Sept or 1st Oct via Herefordshire Rural Hub

Email: bookings@herefordshireruralhub.co.uk Tel: **01432 353 465**

Thursday 26th September, 1pm – 4pm

Moccas Village Hall, Moccas, Herefordshire, HR2 9LQ

Following the success of previous workshops on managing the digital office, Faster Farmers and the Herefordshire Rural Hub are offering a free workshop for farming & rural on the following:-

Email:

- How do you set up a business email
- Setting it up in Outlook or equivalent
- Creating a professional image, setting up email templates and signatures
- Creating folders for emails and saving to local drives

Cloud Storage:

- The difference between Google Drive, One Drive, Dropbox, iCloud etc.
- GDPR considerations when using online storage
- Backing up your system - using a portable hard drive to create a backup on both Mac and Windows

Booking essential – please book your place via Herefordshire Rural Hub

Email: bookings@herefordshireruralhub.co.uk or telephone **01432 353 465**

Have you got this date in your diary??

Wednesday 20th November, 12noon till 6pm
It is the **10th Herefordshire Rural Business Advice Day**
Three Counties Hotel, Belmont Rd, Hereford HR2 7BP
Presentations, 1-to-1 Advice Drop-ins, Lots of stands
Click [HERE](#) for more information

Sponsored by

Duchy Women in Rural Enterprise (WiRE) Herefordshire

Meets every month on the second Thursday, at Dewall Court HR2 8DA from 12pm – 2pm.

Come and join a varied, talented group of women from across Herefordshire and share experiences, pick up useful tips and discover what being a WiRE member could mean to you. For more information find us on Facebook @herefordshire wire or email ali@crecendum.co.uk.

Next meeting:- **12th September** - Ali Sherlock (Cresendum Ltd) on “Managing your emails”

The Wye & Usk Foundation – Here to Help

Natural Flood Management: Our advisers are working with landowners in target catchments to help deliver Natural Flood Management interventions through a DEFRA funded project. The target catchments are the Dulas, Bodenham, Pentaloe, Tedstone, Cheaton, Ridgemore and Red/Twyford Brook. The project is run in partnership with Herefordshire Council and we can offer soil structure assessments, infiltration rate tests, worm counts and organic matter testing. If you farm in one of the target catchments and would like to find out more please call one of our advisers or visit:

<https://www.herefordshire.gov.uk/info/200196/roads/345/flooding/6>

Metaldehyde: It was recently announced that Metaldehyde will be banned from 2020. It has been a concern in the Wye for many years due to its impact on Drinking Water abstractions belonging to Severn Trent lower down the catchment. We are asking users to continue to follow safe spreading and handling procedures with any Metaldehyde based slug pellets they have left to use up during this transition period. Alternative products which use ferric phosphate as the active ingredient are just as effective for slug control thankfully!

Our Advisers: Our team has expanded again, and we are now a team of 8 – Kate, Mike, Lucinda, Tom and Jonny are all working across Herefordshire – we have now been joined by Abi Croshaw who was previously with CSF. Liz Price currently delivers farm advice in the Welsh Wye and has now been joined by Bridie Whittle.

For more information or to request a visit please contact one of the WUF advisers: Kate Adams (07766 330 959) Lucinda Lewis (07824 904 877); Mike Williams (07920 441 215); Tom Jolley (07545 253 155); Jonny Pugh (07825 743 447) Liz Price (07776 197740); Abi Croshaw (07990 068941); Bridie Whittle (07799 049373)

Catchment Sensitive Farming Officers (CSFOs)

Our continuing focus is to address water and air quality on priority holdings within the Wye & Teme River Catchments. Our visits will be concentrating primarily on recommendations to help farmers and land managers to reduce diffuse water pollution (e.g. separating clean and dirty water, soil management) and reduce ammonia emissions (slurry and manure management in field and storage).

River Wye CSFOs

Rachel Bosanquet tel: **07770 331 669** **Sue Buckingham** tel: **07833 095 708**
Wayne Davies tel: **01588 640 980** **Amy Crossley** tel: **07880 102 224**

River Teme CSFO

Sally Powell tel: **07770 645 037**

Events and Advice

Over the next few months we will be concentrating on delivering free training and advice to farmers and land managers starting on the 17th September with “Grazing for healthy soils, and profits”

We are also offering to meet with small groups of farmers and take a look at the soils on one of their farms. After the workshop attendees will be able to understand how to identify soil issues, make simple soil health measurements and take action to improve soil health. If you and a friend/neighbours would like to take part please contact your local Catchment Sensitive Farming Officer (CSFO).

FREE Monthly Computer and Internet Workshops for Beginners at Herefordshire Libraries

**** Booking is essential for these FREE FasterShire workshops ****

How to use your Tablet Computer

Learn how to use your tablet, from learning about apps, picking-up emails, using the internet and how to connect to free Wi-Fi at the Library. **Bring your own tablet.**

Hereford Library - Monday 16th Sept, 11am - 1pm Book at the Library or on 01432 383600 or herefordlibrary@herefordshire.gov.uk

Introduction to the Internet

Learn the basics of how to use the internet safely and effectively, how to find information you need and recognise which websites are safe. Laptops will be provided for the workshop.

Ledbury Library - Tues 17th Sept, 4pm - 6pm, Book at the Library or on 01432 383499 or ledburylibrary@herefordshire.gov.uk

Kington Library - Tues 17th Sept, 10am - 12pm, Book at the Library or on 01432 260600 or kingtonlibrary@herefordshire.gov.uk

Ross-on-Wye Library - Tues 24th Sept, 5pm - 7pm, Book at the Library or on 01432 383280 or rosslibrary@herefordshire.gov.uk

How to use your Smartphone

Learn the basics of how to use your smartphone, including learning about apps, picking up emails on your smartphone, using the internet and how to connect to our Library Wi-Fi. **Bring your own smartphone.**

Leominster Library -Thurs 19th Sept, 10am - 12pm Book at the library or 01432 383290 or leominsterlibrary@herefordshire.gov.uk

These free monthly workshops are provided by FasterShire – the partnership between Herefordshire Council and Gloucestershire County Council to bring faster broadband to the two counties. www.fastershire.com

Monty Don to open St Michael's Hospice Flower Festival – Thursday 12th September

Herefordshire's very own national gardening guru Monty Don will open the St Michael's Hospice Flower Festival in September.

Monty will speak to guests at a Preview Evening at Lyde Arundel on 12th September. Following the Preview Evening, the Flower Festival will run for three days from **Friday 13th – Sunday 15th September** with a Demonstration Evening on the Saturday.

To book tickets to Flower Festival events, including the Preview Evening with Monty Don visit www.st-michaels-hospice.org.uk

For more information contact Paul Broome or Chris Smart on 01432 851 000.

We'd especially like to hear from people in rural areas and/or in farming.

I am seeking people who are interested in helping Macmillan look at community-based services that can meet the needs of people living with cancer in Herefordshire. That's regardless of where you may have had your treatment. Services may be about treatment, but also practical and emotional support, information and advice to help you live well. What services have you found that are local to you and are there others you would like to see? As part of changes in NHS Services patients in treatment will be offered a supported conversation about their range of needs. You may, or may not, have had one of these conversations, but Macmillan wants to know your views about the idea, who would you like to meet with and where?

This isn't a research project - I'm really interested in listening to your experience and ideas.

We can **have a one to one meeting at a time and place to suit you or talk on the phone**. I am aiming to do this work through to Autumn 2019. All information is confidential and will only be used anonymously.

Contact Jean Garner, Macmillan Engagement Lead on jgarner@macmillan.org.uk 07531 310897

For Support please contact: Macmillan Information and Support Centre
Tel: 01432 355 444 ext 5459 Email: hereford.cancerinfoandsupport@nhs.net
Macmillan Support Line 7 days a week, 8am-8pm 0808 808 00 00

**PLEASE GET IN TOUCH IF YOU CAN SPARE
SOME TIME TO SHARE YOUR EXPERIENCE****The Prince's Countryside Fund**

The Herefordshire Federation of Young Farmers' Clubs (HFYFC) working in partnership with Herefordshire Rural Hub have secured funding to provide support for training in a **rurally based career** to the end of December 2019. The funding is easy to access. All you need to do is select which course you would like to go on and complete the application form. If your application is approved you will be able to reclaim **70%** of your training and test costs, up to a maximum of **£250**. **Applicants must be a current member of HFYFC or a past HFYFC member (up to 40 yrs old)**.

The fund will support training that will; **improve your employability, increase or improve your skill set, improve your safety or allow you to undertake extra responsibility in your current job**.

Some examples of training that has been funded so far:-**B+E Trailer, Chainsaw Certification, Pesticide Applications, Shearing, Artificial Insemination, Tractor Driving, Forklift Truck Driving, Rodent Control** and many more

Whatever training you are applying for, **please ensure that you submit your application in good time before your course is due to take place, as training cannot be funded retrospectively**.

For further details and an application form, contact:- **Herefordshire Rural Hub CIC**,
Agriculture House, Beech Business Park, Tillington Road, Hereford, HR4 9QJ
Email: admin@herefordshireruralhub.co.uk Tel: 01432 268 428

**From Paul Crumpton, West Mercia Police – on Rural & Business Crime****Vulnerability**

'A person is vulnerable if, as a result of their situation or circumstances they are unable to take care of, or protect themselves or others, from harm or exploitation'. Sadly, people are being harmed or exploited in Herefordshire. If you know of anyone being coerced through their own vulnerability PLEASE TELL SOMEONE.

For access to further information, go to the West Mercia Police website at <https://www.westmercia.police.uk/home>

Great Idea !

There are lots of good ideas, loads of bad ones and occasionally a great one.

POACHER BLOCK or GATE BLOCK is a great idea.

Check it out at <http://poacherblock.co.uk/>

A great idea from a Northumberland farmer John Goodfellow whose website states

- A long term solution to blocking gateways preventing poachers entering fields causing crop damage;
- Allows tractors and sprayers access to fields but prevents car and 4x4 access;
- Stops fly-tipping – even when with 8-wheeler trucks;
- No wasting time opening and closing gates, simply drive over it;
- Can be used on bridle ways to prevent unwanted vehicle access;
- Gates can be broken or stolen but Poacher Block which weighs over 1 tonne makes it hard to move;
- Poacher Gate in development for Livestock Farmers;
- 4 M Poacher Block will protect a gateway between 12 ft and 20 ft wide.

If you would like to talk about **Fraud, Cybercrime or any other crime reduction opportunities**, please do not hesitate to contact me, **Paul Crumpton** (Rural & Business Officer, Herefordshire, West Mercia Police)

tel: 07773 044781 Email Paul.crumpton@westmercia.pnn.police.uk

Herefordshire & Ludlow College
